MINDFULL'S PURSUIT

To make wearable technology that addresses the UN 2030 Sustainable Development Goals of good health and wellbeing, responsible production and consumption, and reducing inequality through inclusive systematic problem-solving and universal design.

Our vision is a sustainable world that pursues being better than yesterday with MindFull products.

REGARDLESS OF WHO WE ARE, WE MATTER—OUR ACTIONS MATTER.

A woman with dark, curly hair is running towards the camera on a city street. She is wearing a grey sports bra and black leggings. The street has a black and white striped crosswalk. In the background, there are modern buildings, trees, and some outdoor seating areas.

Back Competing

A woman with long brown hair in a ponytail is shown from the back, holding her neck with her right hand. She is wearing a dark grey t-shirt. In the background, there is a faint, pinkish-red diagram of a human figure, likely illustrating the location of back pain. The text "BACK PAIN" is overlaid on the right side of the image.
