Can you read this when letter's and words jump around , move and hide ,
Can you read this when letter's that are not really there show themselves there?
Can you learn to spell of a sheet of paper when letter's vanish and move?
I had to , you have a choice to read like this I don't
See I'm dyslexic
you know , That thing you keep laughing at me for?
that thing I was bullied for?
I'm not stupid , I am very smart , could of you gotten the grade you got if your exam paper did this ? Like It did to me ...
Next time you tell me to learn how to Spell , you try to learn a new spelling while this happens
